Guest Comments:

I've stayed here several times and the hotel's location that I find most convenient. Since the room rate is about half the cost of a room in downtown Halifax, Super 8's easy access to the ferry makes it an affordable alternative. I find parking in Halifax a nightmare, we usually leave the car on the Dartmouth side and take the bus or ferry downtown.

We stayed in a king-sized room and were amazed at the spaciousness, cleanliness and bright décor. The staff was very helpful and pleasant. I would definitely recommend this Super 8 as a great place to stay and for the variety of items in the continental breakfast! Way to go Super 8!
